All information we can possibly give will be cheerfully furnished free of charge. Drop us a line today, don't put it off any longer. FATHER AND SON
WEEK WILL BE
OBSERVED HERE

Canadian Father and Son Week is to be appropriately observed in Sidney this week by the churches. The Pathfinders, the local groups of Trail Rangers working under the C.S.E.T. program, who introduced this movement to Sidney a year ago, are making elaborate preparations for its observance this year; they aim to pass even the splendid achievement of a year ago and the club headquarters are a hive of industry to this end.

On Sunday night a Father and Son service will be held in the United Church at 7.30 with the officials of the Pathfinders in charge. A special speaker is being brought from Vancouver for the occasion, the Rev. E. R. McLean, M.A., B.D. Mr. McLean is head of the boys' work in B.C. and supervising secretary for the young people's work of the province, an interesting speaker and an expert in his line. All fathers and sons are invited irrespective of age and requested to sit together. The public are cordially welcome to this interesting service.

On Monday night the Pathfinders are hosts to all the boys of Sidney, North Saanich and Mount Newton between the ages of 10 and, 20 inclusive, with their fathers, to a banquet in Wesley Hall. This banquet is entirely free of charge and is no sandwich and cake affair but a full course dinner with ample supply. Provision is being made for approximately 150 guests to sit down promptly at 7 p.m. Any boy eligible who has not received a personal invitation through some oversight is asked to come anyway.

SOONER OR LATER

A driver may take the wrong turn a thousand times without an accident, but sometime he is going to meet another car and then there will be a spill and it will be his fault. Better be safe.

Of course, another thing which might help the farmer would be for the commodities which he has to buy to show a disposition to come down to the present level of his table.

VALUE OF OPINION

There will always be differences of opinion between the governments of the world, an eminent man has declared, but there will unlikely ever be such differences of opinion as will be worth a war to settle.

When we write these paragraphs we wonder what the public will think about them; then the public wonders what we were thinking about when we wrote them.

... And in the days of these kings shall the God of heaven set up a kingdom which shall never be destroyed... but it shall break in pieces and consume all these kingdoms and shall stand for ever.—Dan. 2:44.

The Crash of Nations

That another war is brewing in Europe is a foregone conclusion. Not only are the nations of earth in turmoil and confusion, but the religious leaders are also involved in a controversy which threatens to split the church from end to end. What does the future hold?

OLD-TIME DANCES AT FULFORD

By Review Representative

FULFORD HARBOR, Feb. 3. — One of the most enjoyable evenings ever spent at Fulford was when the Women's Institute put on their first old-time dance on Jan. 29th. It was a huge success in every way, there being about 250 present. The young people entered most heartily into the fun and became as enthusiastic as the older one in taking part in the good old-time dances. Mr. Walter Cearley kindly acted as master of ceremonies for the evening. Refreshments were served by the members of the Institute. Eighty-four dollars were taken at the door. Orchestra—Mrs. A. J. Eaton, pianist; Mr. Eaton, saxophone; Mr. P. Downey, drums, and Mr. Leon King, violin.

Mrs. Brethour has with her sister, Miss Sydney Fatt, of Victoria.

We have requested Mr. J. B. Tighe (Deep Cove), who is the local representative for the Centaur Tractor Company, to furnish us with an article for next issue, showing the comparison of the cost and upkeep of his tractor compared with a horse on a small farm. This should be of interest to many of our local farmers.

Mr. W. H. Dawes was seen in Sidney this week after a month's absence with influenza.

BEAUTIFUL HOME NEAR COMPLETION

A beautiful residence containing 12 rooms and designed along Elizabethan lines is nearing completion at the entrance of Active Pass on Galiano Island, opposite Mayne Island. The owner is Mr. Charles Gordon Elverson, who arrived from England recently to make his permanent home here, where he has owned a 35-acre tract for some years. This palatial home during construction has given considerable employment to the local inhabitants on the island, and has taken five months to build.

Special features have been made in the plans which were designed and supervised by a Vancouver architect, Mr. William Fredk. Gardiner, Vancouver Block; the contractor being Mr. Thos. Wyley, also of Vancouver.

A modern Delco lighting plant is installed together with a private waterworks system. The grounds immediately around the house are being artistically landscaped, and when finally completed will make one of the prettiest homes in the entire Gulf Islands, and will form a noticeable landmark to those on steamers traversing this picturesque waterway.
